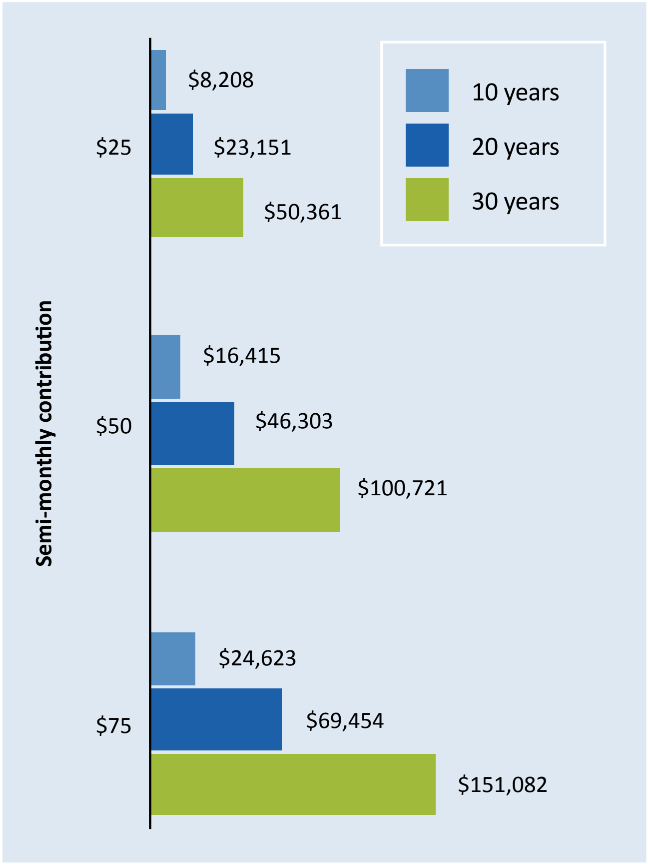
A little change can make a big difference

Once you have enrolled in Deferred Comp, consider the potential results of your contributions. Increasing your contributions by just $25 a paycheck can make a big difference over 10, 20 or 30 years.



FOR ILLUSTRATIVE PURPOSES ONLY. This is a hypothetical illustration to show the value of an increase in contributions. This hypothetical illustration assumes a 6 percent average annual rate of return, 24 pay periods and reinvestment of earnings with no withdrawals. Rates of return may vary. This illustration does not include any charges, expenses or fees that may be associated with your Program. The tax-deferred accumulations shown above would be reduced if these fees were deducted.

1. **To start the enrollment process, go to www.southcarolinadcp.com**
   - Click on the *About Deferred Comp* and *Enroll now* links.
